Report on Indian Children's Science Congress

An innovative research project of two students of **Ramakrishna Mission Vidyalaya**, Viveknagar, Agartala, namely AbhinabaBanik, Class VIII and Abhrajyoti Das, Class VIII, under the guidance of a Teacher named Dipak Kumar Kundu, was highly appreciated in the session of the **108th National Science Congress**, held at Nagpur, Maharastra. It commenced on and from 3rd January to 5th January, 2022. Their theme was: **'Analyzing the Effects of different types of Sanitizers on Human Body'** in connection with the Covid pandemic practices.

This project has also been selected for the 30th **National Children's Science Congress (NCSC-2022)** organized by the Dept. of Science and Technology, Govt. of India. It was held at Ahmedabad in Gujarat. It commenced on and from 25th January to 28th January 2022.

This project was selected and also won the first place in the senior group category in the District level as well as in the State level competition of the National Children's Science Congress organized by Tripura Science Forum, held at Badharghat H.S. School, Siddhi Ashram, Agartala, on 11th Nov. 2022 and at Tripura State Co-operative Societies, Camper Bazar, Agartala, during 25th to 26th Nov. 2022 respectively.

This project presented by these two children scientists was highly appreciated by scientific fraternity. They were able to explain their project aptly and satisfactorily and could the quench thirst of the emerging scientific curiosity of the concerned minds.
